OFFICE POLICY REMINDER FOR PATIENTS

The professional staff at Lassen Indian Health Center provide medical and dental services for the entire Susanville community. The licensed providers and their respective staff have developed systems for treating all those who need help.

To effectively treat each and every person needing help, office policies have been developed to expedite the flow of patients through the respective clinics. It is imperative that each patient call for an appointment. If you cannot make an appointment, please notify the office as soon as you are aware. If notice is given less than one hour prior to the scheduled appointment time, it will be considered a same-day cancellation. If you miss your appointment or arrive 10 minutes after your scheduled appointment, the appointment will be considered a no-show and will need to be rescheduled.

Same-day cancellations and no-shows are recorded. After the third no-show in a six-month period, all future appointments will be canceled, and no further appointments can be scheduled for 3 months. The patient may only be seen on a walk-in basis based off medical necessity. If there is an excessive occurrence of same-day cancellations, the patient may also be moved to a walk-in basis.

I have read and understand the above-mentioned policy.
